Dear Sir,

REFUND OF E-FILING FEES

The above matter refers.

2. The e-filing system has been introduced since 2012. Since the introduction of the e-filing system it is the policy of the courts in Sabah and Sarawak, in most cases, to refund the filing fees whenever a document is rejected.

3. However, of late we noticed that the number of applications for refund of e-filing fees has increased, although the system has been in operation for quite some time. This has raised some concerns, as it may reflect poorly on the system if the trend continues.

4. In view of this, we now give notice to all legal firms that effective 1st April, 2014, application for refund will no longer be entertained. Refunds will only be considered in cases where the error is caused either by the performance of the system or the payment gateway.

Thank you.

Registrar,
High Court of Sabah and Sarawak,
KUCHING.
